## **Navy Family Accountability and Assessment System (NFAAS)**

The Navy Family Accountability and Assessment System is a standardized system to account, manage, and monitor the recovery process for Navy personnel and their families affected by a catastrophic event. Updating your contact information in other systems **does not** automatically update NFAAS so it is important to manually update NFAAS to ensure the most up-to-date contact information for you and your family is readily accessible.

NFAAS allows you to report:

- Your current location
- Update emergency personal contact information
- Request assistance (especially if you had to evacuate far away from your home or place of work)

NFAAS allows your commanders and supervisors to account accurately for all assigned personnel and their family members.

NFAAS allows case managers to contact you, provide you with important information and assist you in recovering from a crisis.

Don't wait until it's too late! Be PREPARED for the worst. Keep your information up to date!

Access NFAAS at the following link to update your contact information regularly:

### Weekend Mass

Catholic Mass.....Sunday 0900

The Command Religious Program exists for the purpose of helping to develop resilient Sailors and families who are spiritually, relationally, and morally fit. We are here to serve all Military members and their families and to provide for or facilitate your spiritual growth and fitness.

While physical fitness helps maintain a strong body and mental fitness is necessary for a sound mind, spiritual fitness is essential in strengthening your being. Spiritual fitness is growing in your faith through involvement in your chosen faith community, personal spiritual growth through individual study and prayer, and living your faith through services to others.

The main purpose of our Religious Ministries Team is assisting your spiritual fitness either by directly providing for it through Bible Studies and counseling or facilitating with referrals to faith groups offering worships and study opportunities in the community. We also arrange for community relations events which gives you the opportunity to live your faith and values and share your life with others.

Besides spiritual assistance the Chaplain is available to military and civilian personnel to provide pastoral counseling when they need someone whom they can discuss personal, professional, and spiritual matters in complete confidence. Whether the issue is marriage, grief, spiritual matters, or anything else, we are ready to assist. We offer to each of you the opportunity and resources to increase your spiritual fitness while serving in the United States Navy

**God's richest blessing to you from your Religious Ministries Team.**
