Rental Partnership Program (RPP) FAQ's

Q. *What happens if I do not have 1 year on my orders?*

A. The Community must be willing to accept your lease term of less than one year. It is possible that you may be charged a premium above the rent rate for short lease terms.

Q. *What if I want to rent with a roommate or military spouse?*

A. Dual military: both service members must enroll in the RPP. Non-military roommates; service member must apply as lease holder with roommate as occupant.

Q. *What if the rental rate quoted is higher than when I applied?*

A. Rental rates are subject to change on a daily basis without notice but you will still receive up to 5% off your monthly rent?

Q. *What if I get orders to leave the NCR?*

A. Under the Service Members' Relief Act, a military member has the right to break their lease if they receive PCS Orders at least 35 miles away from their current duty station, TDY Orders that exceed 90 days or Separation from active duty orders. You must submit a copy of your orders and a 30-Day written notice to the community's leasing office.

Q. *Lease Renewals?*

A. Service members must re-certify for eligibility to participate in the RPP.

Q. *Issues with the apartment complex?*

A. Housing counselors may be available to mediate issues between service members and landlords as well as attend move-in and move-out inspections.
